

*Committed to God...Committed to Excellence*

Dear Parents,

Welcome to Village Christian Academy (VCA)! We are so glad you are considering joining our school family. We understand the significance of choosing the best school for your child and are excited for the opportunity to share what VCA has to offer.

VCA aspires to build firm partnerships with parents in their child's educational journey. We have a strong focus on academic excellence through a rich curriculum and high academic standards. In addition, we provide a wide range of extracurricular activities to provide a well-rounded education that prepares our students for college, careers, and service to others.

Most importantly, VCA is built on a strong foundation of Christian values, where students dwell in an environment that consistently offers a variety of opportunities to grow spiritually. Students learn through the lens of a Biblical worldview where they are taught that everything we see and know was created by God.

At VCA we are passionate about guiding students to achieve their highest potential, both in the classroom and in their walk with Christ. We look forward to the opportunity of partnering with you!

In Christ,

*Michelle Pait*
